SECTION II - INSTRUCTIONS TO TENDERERS

2.1. Eligible Tenderers

2.1.1 This Invitation for Tenders is open to all tenderers eligible as described in the Appendix to Instructions to Tenderers. Successful tenderers shall provide the cover for the stipulated duration from the date of commencement (hereinafter referred to as the term) specified in the tender documents.

2.1.2 Meru University of Science and Technology employees, committee members, board members and their relatives (spouse and children) are not eligible to participate in the tender unless where specially allowed under section 166 of the Act.

2.1.3 Tenderers shall provide the qualification information statement that the tenderer (including all members of a joint venture and subcontractors) is not associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by Meru University of Science and Technology to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the sanitary services under this Invitation for tenders.

2.1.4 Tenderers involved in the corrupt or fraudulent practices or debarred from participating in public procurement shall not be eligible.

2.2 Cost of Tendering

2.2.1 The Tenderer shall bear all costs associated with the preparation and submission of its tender, and Meru University of Science and Technology, will in no case be responsible or liable for those costs. Regardless of the conduct or outcome of the tendering process

2.2.2 The price to be charged for the tender document shall be **Kshs.1, 000.**

2.2.3 Meru University of Science and Technology shall allow the tenderer to review the tender document free of charge before purchase.

2.3 Contents of Tender Document

2.3.1 The tender documents comprise the documents listed below and addenda issued in accordance with clause 2.5 of the instructions to tenderers.

- (i) Instructions to Tenderers

- (ii) General Conditions of Contract
- (iii) Special Conditions of Contract
- (iv) Schedule of Requirements
- (v) Details of Sanitary services
- (vi) Form of Tender
- (vii) Price Schedules
- (viii) Contract Form
- (ix) Confidential Business Questionnaire Form
- (x) Tender security Form
- (xi) Performance security Form
- (xii) Security Firm's Authorization Form
- (xiii) Declaration Form
- (xiv) Request for Review Form

2.3.2 The Tenderer is expected to examine all instructions, forms, terms and specification in the tender documents. Failure to furnish all information required by the tender documents or to submit a tender not substantially responsive to the tender documents in every respect will be at the tenderers risk and may result in the rejection of its tender.

2.4 Clarification of Tender Documents

2.4.1 A Candidate making inquiries of the tender documents may notify Meru University of Science and Technology by post, fax or by email at Meru University of Science and Technology's address indicated in the Invitation for tenders. Meru University of Science and Technology will respond in writing to any request for clarification of the tender documents, which it receives not later than seven (7) days prior to the deadline for the submission of the tenders, prescribed by Meru University of Science and Technology. Written copies of the Procuring entities response (including an explanation of the query but without identifying the source of inquiry) will be sent to all candidates who have received the tender documents.

2.4.2 Meru University of Science and Technology shall reply to any clarifications sought by the tenderer within 3 days of receiving the request to enable the tenderer to make timely submission of its tender.

2.4.3 Preference where allowed in the evaluation of tenders shall not exceed 15%.

2.5 Amendment of Tender Documents

- 2.5.1 At any time prior to the deadline for submission of tenders, Meru University of Science and Technology, for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer, may modify the tender documents by issuing and addendum.
- 2.5.2 All prospective tenderers who have obtained the tender documents will be notified of the amendment by post, fax or email and such amendment will be binding on them.
- 2.5.3 In order to allow prospective tenderers reasonable time in which to take the amendment into account in preparing their tenders, Meru University of Science and Technology, at its discretion, may extend the deadline for the submission of tenders.

2.6 Language of Tenders

- 2.6.1 The tender prepared by the tenderer, as well as all correspondence and documents relating to the tender exchanged by the tenderer and Meru University of Science and Technology, shall be written in English language. Any printed literature furnished by the tenderer may be written in another language provided they are accompanied by an accurate English translation of the relevant passages in which case, for purposes of interpretation of the tender, the English translation shall govern.

2.7 Documents Comprising the Tender

- 2.7.1 The tender prepared by the tenderer shall comprise the following components:
- (a) A Tender Form and a Price Schedule completed in accordance with paragraph 2.8, 2.9 and 2.10 below
 - (b) Documentary evidence established in accordance with paragraph 2.1.2 that the tenderer is eligible to tender and is qualified to perform the contract if its tender is accepted;
 - (c) Tender security furnished in accordance with paragraph 2.12 (if applicable)
 - (d) Declaration Form.

2.8 Form of Tender

- 2.8.1 The tenderer shall complete the **Tender Form and the Price Schedule** furnished in the tender documents, indicating the sanitary services to be provided.

2.9. Tender Prices

2.9.1 The tenderer shall indicate on the form of tender and the appropriate Price Schedule the unit prices and total tender price of the sanitary services it proposes to provide under the contract.

2.9.2 Prices indicated on the **Price Schedule** shall be the cost of the sanitary services quoted including all customs duties and VAT and other taxes payable.

2.9.3 Prices quoted by the tenderer shall remain fixed during the Term of the contract unless otherwise agreed by the parties. A tender submitted with an adjustable price quotation will be treated as non-responsive and will be rejected, pursuant to paragraph 2.20.5

2.10. Tender Currencies

2.10.1 Prices shall be quoted in Kenya Shillings

2.11. Tenderers Eligibility and Qualifications

2.11.1 Pursuant to paragraph 2.1 the tenderer shall furnish, as part of its tender, documents establishing the tenderers eligibility to tender and its qualifications to perform the contract if it's tender is accepted.

2.11.2 The documentary evidence of the tenderer's qualifications to perform the contract if its tender is accepted shall establish to Meru University of Science and Technology's satisfaction that the tenderer has the financial and technical capability necessary to perform the contract.

2.12. Tender Security

2.12.1 The tenderer shall furnish, as part of its tender, a tender security for the amount and form specified in the Appendix to Instructions to Tenderers.

2.12.2 The tender security shall not exceed 2 per cent of the tender price.

2.12.3 The tender security is required to protect Meru University of Science and Technology against the risk of Tenderer's conduct which would warrant the security's forfeiture, pursuant to paragraph 2.12.7

2.12.4 The tender security shall be denominated in Kenya Shillings or in another freely convertible currency, and shall be in the form

- a) Cash.
- b) A bank guarantee.
- c) Such insurance guarantee approved by the Authority.
- d) Letter of credit.

2.12.5 Any tender not secured in accordance with paragraph 2.12.1. and 2.12.3 shall be rejected by Meru University of Science and Technology as non-responsive, pursuant to paragraph 2.20.5

2.12.6 Unsuccessful Tenderer's tender security will be discharged or returned as promptly as possible but not later than thirty (30) days after the expiration of the period of tender validity.

2.12.7 The successful Tenderer's tender security will be discharged upon the tenderer signing the contract, pursuant to paragraph 2.29, and furnishing the performance security, pursuant to paragraph 2.30

2.12.8 The tender security may be forfeited:

- (a) if a tenderer withdraws its tender during the period of tender validity.
- (b) in the case of a successful tenderer, if the tenderer fails:
 - (i) to sign the contract in accordance with paragraph 2.29 or
 - (ii) to furnish performance security in accordance with paragraph 2.30.
- (c) If the tenderer reject correction of an arithmetic error in the tender.

2.13. Validity of Tenders

2.13.1 Tenders shall remain valid for **120 days** after date of tender opening pursuant to paragraph 2.18. A tender valid for a shorter period shall be rejected by Meru University of Science and Technology as non-responsive.

2.13.2 In exceptional circumstances, Meru University of Science and Technology may solicit the Tenderer's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. The tender security provided under paragraph 2.12 shall also be suitably extended. A tenderer granting the request will not be required nor permitted to modify its tender.

2.14. Format and Signing of Tenders

2.14.1 The tenderer shall prepare an original and a copy of the tender, clearly marking each “**ORIGINAL TENDER**” and “**COPY OF TENDER,**” as appropriate. In the event of any discrepancy between them, the original shall govern.

2.14.2 The original and all copies of the tender shall be typed or written in indelible ink and shall be signed by the tenderer or a person or persons duly authorized to bind the tenderer to the contract. All pages of the tender, except for un-amended printed literature, shall be initialed by the person or persons signing the tender.

2.14.3 The tender shall have no interlineations, erasures, or overwriting except as necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person or persons signing the tender.

2.15 Sealing and Marking of Tenders

2.15.1 The tenderer shall seal the original and the copy of the tender in separate envelopes, duly marking the envelopes as “**ORIGINAL TENDER**” and “**COPY OF TENDER**”. The envelopes shall then be sealed in an outer envelope.

2.15.2 The inner and outer envelopes shall:

- (a) be addressed to Meru University of Science and Technology at the address given in the Invitation to Tender.
- (b) bear tender number and name in the invitation to tender and the words, “**DO NOT OPEN BEFORE *Wednesday, 3rd June 2020 at 10.00 am***”

2.15.3 The inner envelopes shall also indicate the name and address of the tenderer to enable the tender to be returned unopened in case it is declared “late”.

2.15.4 If the outer envelope is not sealed and marked as required by paragraph 2.15.2, Meru University of Science and Technology will assume no responsibility for the tender’s misplacement or premature opening.

2.16. Deadline for Submission of Tenders

2.16.1 Tenders must be received by Meru University of Science and Technology at the address specified under paragraph 2.15.2 not later than ***Wednesday, 3rd June 2020 at 10.00 am***

2.16.2 Meru University of Science and Technology may, at its discretion, extend this deadline for the submission of tenders by amending the tender documents in accordance with paragraph 2.5.3 in which case all rights and obligations of Meru University of Science and Technology and candidates previously subject to the deadline will thereafter be subject to the deadline as extended.

2.16.3 Bulky tenders which will not fit the tender box shall be received by Meru University of Science and Technology as provided for in the appendix.

2.17. Modification and Withdrawal of Tenders

2.17.1 The tenderer may modify or withdraw its tender after the tender's submission, provided that written notice of the modification, including substitution or withdrawal of the tenders, is received by Meru University of Science and Technology prior to the deadline prescribed for submission of tenders.

2.17.2 The tenderer's modification or withdrawal notice shall be prepared, sealed, marked and dispatched in accordance with the provisions of paragraph 2.15. a withdrawal notice may also be sent by fax or email but followed by a signed confirmation copy, postmarked not later than the deadline for submission of tenders.

2.17.3 No tender may be modified after the deadline for submission of tenders.

2.17.4 No tender may be withdrawn in the interval between the deadline for submission of tenders and the expiration of the period of tender validity. Withdrawal of a tender during this interval may result in the Tenderer's forfeiture of its tender security, pursuant to paragraph 2.12.7.

2.18. Opening of Tenders

2.18.1 Meru University of Science and Technology will open all tenders in the presence of tenderers' representatives who choose to attend, on ***Wednesday, 3rd June 2020 at 10.00 am*** and in the location specified in the invitation for tenders. The tenderers' representatives who are present shall sign a register evidencing their attendance.

2.18.2 The tenderers' names, tender modifications or withdrawals, tender prices, discounts, and the presence or absence of requisite tender security and such other details as Meru University of Science and Technology, at its discretion, may consider appropriate, will be announced at the opening.

2.18.3 Meru University of Science and Technology will prepare minutes of the tender opening, which will be submitted to tenderers that signed the tender opening register and will have made the request.

2.19 Clarification of Tenders

- 2.19.1 To assist in the examination, evaluation and comparison of tenders Meru University of Science and Technology may, at its discretion, ask the tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance of the tender shall be sought, offered, or permitted.
- 2.19.2 Any effort by the tenderer to influence Meru University of Science and Technology's tender evaluation, tender comparison or contract award decisions may result in the rejection of the tenderers' tender.

2.20 Preliminary Examination and Responsiveness

- 2.20.1 Meru University of Science and Technology will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the tenders are generally in order.
- 2.20.2 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the candidate does not accept the correction of the errors, its tender will be rejected, and its tender security forfeited. If there is a discrepancy between words and figures, the amount in words will prevail
- 2.20.3 Meru University of Science and Technology may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation provided such waiver does not prejudice or affect the relative ranking of any tenderer.
- 2.20.4 Prior to the detailed evaluation, pursuant to paragraph 2.20, Meru University of Science and Technology will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one which conforms to all the terms and conditions of the tender documents without material deviations. Meru University of Science and Technology's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.
- 2.20.5 If a tender is not substantially responsive, it will be rejected by Meru University of Science and Technology and may not subsequently be made responsive by the tenderer by correction of the nonconformity.

2.21. Conversion to single currency

2.21.1 Where other currencies are used, Meru University of Science and Technology will convert those currencies to Kenya Shillings using the selling exchange rate on the date of tender closing provided by the Central Bank of Kenya.

2.22. Evaluation and Comparison of Tenders

2.22.1 Meru University of Science and Technology will evaluate and compare the tenders which have been determined to be substantially responsive, pursuant to paragraph 2.20

2.22.2 Meru University of Science and Technology's evaluation of a tender will take into account, in addition to the tender price, the following factors, in the manner and to the extent indicated in paragraph 2.22.3.

(a) operational plan proposed in the tender;

(b) deviations in payment schedule from that specified in the Special Conditions of Contract

2.22.3 Pursuant to paragraph 2.22.2 the following evaluation methods will be applied.

(a) Operational Plan

(i) Meru University of Science and Technology requires that the sanitary services under the Invitation for Tenders shall be performed at the time specified in the Schedule of Requirements. Tenders offering to perform longer than Meru University of Science and Technology's required delivery time will be treated as non-responsive and rejected.

(b) Deviation in payment schedule

(i) Tenderers shall state their tender price for the payment on schedule outlined in the special conditions of contract. Tenders will be evaluated on the basis of this base price. Tenderers are, however, permitted to state an alternative payment schedule and indicate the reduction in tender price they wish to offer for such alternative payment schedule. Meru University of Science and Technology may

consider the alternative payment schedule offered by the selected tenderer.

2.22.4 The tender evaluation committee shall evaluate the tender within 30 days from the date of opening the tender.

2.23. Contacting Meru University of Science and Technology

2.23.1 Subject to paragraph 2.19 no tenderer shall contact Meru University of Science and Technology on any matter relating to its tender, from the time of the tender opening to the time the contract is awarded.

2.23.2 Any effort by a tenderer to influence Meru University of Science and Technology in its decisions on tender evaluation, tender comparison, or contract award may result in the rejection of the Tenderers' tender.

2.24 Post-qualification

2.24.1 Meru University of Science and Technology will verify and determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

2.24.2 The determination will take into account the tenderer's financial and technical capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to paragraph 2.11.2, as well as such other information as Meru University of Science and Technology deems necessary and appropriate

2.24.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event Meru University of Science and Technology will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

2.25 Award Criteria

2.25.1 Subject to paragraph 2.29 Meru University of Science and Technology will award the contract to the successful tenderer whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily. Due diligence shall be carried out to the successful bidder before award of contract.

2.25.2 To qualify for contract awards, the tenderer shall have the following: -

- (a) Necessary qualifications, capability experience, services, equipment and facilities to provide what is being procured.
- (b) Legal capacity to enter into a contract for procurement
- (c) Shall not be insolvent, in receivership, bankrupt or in the process of being wound up and is not the subject of legal proceedings relating to the foregoing.
- (d) Shall not be debarred from participating in public procurement.

2.26. Meru University of Science and Technology's Right to accept or Reject any or all Tenders

2.26.1 Meru University of Science and Technology reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for Meru University of Science and Technology's action. If Meru University of Science and Technology determines that none of the tenders is responsive, Meru University of Science and Technology shall notify each tenderer who submitted a tender.

2.26.2 Meru University of Science and Technology shall give prompt notice of the termination to the tenderers and on request give its reasons for termination within 14 days of receiving the request from any tenderer.

2.26.3 A tenderer who gives false information in the tender document about its qualification or who refuses to enter into a contract after notification of contract award shall be considered for debarment from participating in future public procurement.

2.27 Notification of Award

2.27.1 Prior to the expiration of the period of tender validity, Meru University of Science and Technology will notify the successful tenderer in writing that its tender has been accepted.

2.27.2 The notification of award will signify the formation of the contract subject to the signing of the contract between the tenderer and Meru University of Science and Technology pursuant to clause 2.9. Simultaneously the other tenderers shall be notified that their tenders were not successful.

2.27.3 Upon the successful Tenderer's furnishing of the performance security pursuant to paragraph 2.29 Meru University of Science and Technology will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to paragraph 2.12

2.28 Signing of Contract

2.28.1 At the same time as Meru University of Science and Technology notifies the successful tenderer that its tender has been accepted, Meru University of Science and Technology will simultaneously inform the other tenderers that their tenders have not been successful.

2.28.2 Within fourteen (14) days of receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to Meru University of Science and Technology.

2.28.3 The contract will be definitive upon its signature by the two parties.

2.28.4 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.29 Performance Security

2.29.1 The successful tenderer shall furnish the performance security in accordance with the Conditions of Contract, in a form acceptable to Meru University of Science and Technology.

2.29.2 Failure by the successful tenderer to comply with the requirement of paragraph 2.29 or paragraph 2.30.1 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event Meru University of Science and Technology may make the award to the next lowest evaluated tender or call for new tenders.

2.30 Corrupt or Fraudulent Practices

2.30.1 Meru University of Science and Technology requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts. A tenderer shall sign a declaration that he has not and will not be involved in corrupt or fraudulent practices.

2.30.2 Meru University of Science and Technology will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question

2.30.3 Further a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public Procurement in Kenya.

APPENDIX TO INSTRUCTIONS TO TENDERERS

The following information for the provision of sanitary services shall complement, supplement, or amend, the provisions on the instructions to tenderers. Wherever there is a conflict between the provisions of the instructions to tenderers and the provisions of the appendix, the provisions of the appendix herein shall prevail over those of the instructions to tenderers.

3.4. Use of Contract Documents and Information

3.4.1 The Contractor shall not, without Meru University of Science and Technology's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of Meru University of Science and Technology in connection therewith, to any person other than a person employed by the contractor in the performance of the Contract.

3.4.2 The Contractor shall not, without Meru University of Science and Technology's prior written consent, make use of any document or information enumerated in paragraph 2.4.1 above.

3.4.3 Any document, other than the Contract itself, enumerated in paragraph 2.4.1 shall remain the property of Meru University of Science and Technology and shall be returned (all copies) to Meru University of Science and Technology on completion of the contract's or performance under the Contract if so required by Meru University of Science and Technology.

3.5. Patent Rights

3.5.1 The Contractor shall indemnify Meru University of Science and Technology against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the sanitary services under the contract or any part thereof.

3.6 Performance Security

3.6.1 Within twenty eight (28) days of receipt of the notification of Contract award, the successful tenderer shall furnish to Meru University of Science and Technology the performance security where applicable in the amount specified in SCC.

3.6.2 The proceeds of the performance security shall be payable to Meru University of Science and Technology as compensation for any loss resulting from the Tenderer's failure to complete its obligations under the Contract.

3.6.3 The performance security shall be denominated in the currency of the Contract, or in a freely convertible currency acceptable to Meru University of Science and Technology and shall be in the form of:

- a) Cash.

- b) A bank guarantee.
- c) Such insurance guarantee approved by the Authority.
- d) Letter of credit.

3.6.4 The performance security will be discharged by Meru University of Science and Technology and returned to the Candidate not later than thirty (30) days following the date of completion of the Contractor's performance of obligations under the Contract, including any warranty obligations, under the Contract.

3.7. Delivery of services and Documents

3.7.1 Delivery of the sanitary services shall be made by the Contractor in accordance with the terms specified by Meru University of Science and Technology in the schedule of requirements and the special conditions of contract

3.8. Payment

3.8.1. The method and conditions of payment to be made to the contractor under this Contract shall be specified in SCC

3.8.2. Payment shall be made promptly by Meru University of Science and Technology, but in no case later than sixty (60) days after submission of an invoice or claim by the contractor

3.9. Prices

3.9.1 Prices charged by the contractor for provision of sanitary services performed under the Contract shall not, with the exception of any price adjustments authorized in SCC vary from the prices quoted by the tenderer in its tender or in Meru University of Science and Technology's request for tender validity extension the case may be. No variation in or modification to the terms of the contract shall be made except by written amendments signed by the parties.

3.9.2 Contract price variations shall not be allowed for contracts not exceeding one year (12 months)

3.9.3 Where contract price variation is allowed the variation shall not exceed 10% of the original contract price

3.9.4 Price variation requests shall be processed by Meru University of Science and Technology within 30 days of receiving the request.

3.10. Assignment

3.10.1 The Contractor shall not assign, in whole or in part, its obligations to perform under this Contract, except with Meru University of Science and Technology's prior written consent.

3.11. Termination for Default

3.11.1 Meru University of Science and Technology may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Contractor terminate this Contract in whole or in part:

- (a) if the Contractor fails to provide any or all of the sanitary services within the period(s) specified in the Contract, or within any extension thereof granted by Meru University of Science and Technology.
- (b) If the Contractor fails to perform any other obligation(s) under the Contract
- (c) If the Contract in the judgment of Meru University of Science and Technology has engaged in corrupt or fraudulent practices in competing for or in executing the contract

3.11.2 In the event Meru University of Science and Technology terminates the contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, services similar to those un-delivered, and the Contractor shall be liable to Meru University of Science and Technology for any excess costs for such similar services. However the contractor shall continue performance of the contract to extent not terminated.

3.12. Termination for Insolvency

3.12.1 Meru University of Science and Technology may at any time terminate the contract by giving written notice to the Contractor if the contractor becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the contractor, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to Meru University of Science and Technology.

3.13. Termination for Convenience

3.13.1 Meru University of Science and Technology by written notice sent to the contractor, may terminate the contract in whole or in part, at any time for its convenience. The

notice of termination shall specify that the termination is for the procuring entities convenience, the extent to which performance of the contractor of the contract is terminated and the date on which such termination becomes effective.

3.13.2 For the remaining part of the contract after termination Meru University of Science and Technology may elect to cancel the sanitary services and pay to the contractor an agreed amount for partially completed services.

3.14 Resolution of Disputes

3.14.1 Meru University of Science and Technology and the contractor shall make every effort to resolve amicably by direct informal negotiations and disagreement or disputes arising between them under or in connection with the contract

3.14.2 If after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute either party may require that the dispute be referred for resolution to the formal mechanisms specified in the SCC.

3.15. Governing Language

3.15.1. The contract shall be written in the English language. All correspondence and other documents pertaining to the contract, which are exchanged by the parties shall be written in the same language.

3.16. Applicable Law

3.16.1 The contract shall be interpreted in accordance with the laws of Kenya unless otherwise expressly specified in the SCC.

3.17 Force Majeure

3.17.1 The Contractor shall not be liable for forfeiture of its performance security, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

3.18 Notices

3.18.1 Any notices given by one party to the other pursuant to this contract shall be sent to the other party by post or by Fax or Email and confirmed in writing to the other party's address specified in the SCC.

3.18.2 A notice shall be effective when delivered or on the notices effective date, whichever is later.

SECTION IV - SPECIAL CONDITIONS OF CONTRACT

4.1 These Special Conditions of Contract shall apply in regard to this contract. Whenever there is a conflict between the General Conditions of Contract (GCC) and the Special Condition of Contract (SCC), the provision herein shall prevail and supersede over those in the General Conditions of Contract.
