Date:

Stage 1

- 1) This will include the following: -
 - a) Confirmation of and considering Bill of Quantities completed and signed.
 - b) Conducting a financial comparison for the firms that passed technical evaluation
- 2) Tenders shall also be checked for errors, inconsistencies and frontloading.

The following tenders shall be **automatically disqualified**.

- i) Tenders with an arithmetic error of more than 5%, unless the tenderers demonstrate and confirm in writing that they will satisfactorily deliver
- ii) Tenders that are frontloaded, unless the tenderer (if successful) agrees with

the employer on interim certificates payment plan that do not disadvantage the employer and enhancement of performance security

- iii) Tenders that have errors or inconsistencies in pricing that are significant enough to cause distortion in a successful contractor's cash flow or put the client in a contractually unfavorable or risky position.

- 3) The Tenderer should have at least 20% of the total tender value in cash assets in the Balance Sheet provided as part of the audited financial statements.

Stage 2 and Post Qualification

Meru University of Science and Technology shall carry out due diligence on the successful tenderer to seek information on the validity and authenticity of the documents submitted by the tenderer prior to tender award.

Any bidder who shall be found to have supplied false or misleading information shall be disqualified and the next lowest tender that has passed stage 1 shall be considered. Record of unsatisfactory or default in performance obligations in any contract shall also be considered at this stage. This shall include any tenderer with unresolved case(s) in its performance obligations for more than two (2) months in any contract. These bidders shall be shall be disqualified and the next lowest tender that has passed stage 1 shall be considered.

AWARD OF CONTRACT

The tender will be awarded to the successful tenderer whose tender has been determined to be substantially responsive, determined to be the lowest evaluated bidder/tenderer, and is qualified to perform the contract satisfactorily.

Note:

In case of a tie in the technical score, the bidder with the lowest tender sum shall be awarded the contract.

In case of a tie in the tender sum, the bidder with the highest technical score shall be awarded the contract.
