

# MERU UNIVERSITY OF SCIENCE & TECHNOLOGY

(A World Class University of Excellence in Science and Technology)

---

## MUST DRIVING SCHOOL

Meru University of Science & Technology (MUST) driving school is accredited by the National Transport and Safety Authority (NTSA). Our approach is standardized to give learners quality practical time on the driver's seat. We have a large training area and professional instructors to walk with you.

Issuance of a driving license is done by NTSA Kenya. Enrolment is continuous thus you can get started with your driving classes anytime and obtain driving license upon completion and examination.

### The course

You will undergo twenty-five (25) practical and theory driving instruction course lessons under this programme and you should come out as a very competent driver.

Our driving training course entails:

- A flexible class schedule
- Classes to be offered year round
- Top notch state-certified instructors
- One on one behind the wheel instructors.

### Qualification

- National Identity Card

### Duration

- 1 month

### Class

- Class B (light vehicle)

## Fees

MUST driving school fee for this instruction course is Kshs. 13,000.00 exclusive of Training manuals and NTSA facilitation.

- NTSA examination and logistics fees - Kshs. 1,100.00
- Interim license - Kshs. 750
- Total fee for the light vehicle instruction course will, therefore, be **Kshs. 14,850.00**

The fee may be paid in two equal instalments. 50% upon registration and the other 50% before commencing practical lessons.

## Refresher course

This is the course for licensed drivers looking to upgrade their driving skills. The course mainly concentrates on retraining safe driving tips. You can choose to attend sessions on part-time basis (evening /morning).

You will be taken through a minimum of five (5) practical lessons at a standard fee of Kshs. 500 per lesson. You can request for more lessons as required.
