Full Course Application On: Automotive Engineering - Level - 6

Apply engineering mathematics,

Assessment Series : November/December | Entry Qualification : Exam | Level of Education : K.C.S.E | Grade :

28	ALLAN KIPLANGAT	0120107P/AUT/6/2022/004						
-----------	------------------------	--------------------------------	--	--	--	--	--	--

Unit of Competency

Full Course Application On: Automotive Engineering - Level - 6

Apply automotive engineering science principles,Apply engineering mathematics,Service vehicle braking systems,

Assessment Series : November/December | Entry Qualification : Exam | Level of Education : K.C.S.E | Grade :

29	MOHAMMED AMMAR HUSSEIN	0120107P/AUT/6/2022/031						
-----------	-------------------------------	--------------------------------	--	--	--	--	--	--

Unit of Competency

Full Course Application On: Automotive Engineering - Level - 6

Apply automotive engineering science principles,Apply engineering mathematics,Apply workshop technology principles,Service vehicle braking systems,Service Vehicle Fuel Systems,Service Vehicle Transmission System,

Assessment Series : November/December | Entry Qualification : Exam | Level of Education : K.C.S.E | Grade :

30	ANTONY MUNENE KAARIA	0120107P/AUT/6/2022/003						
Unit of Competency Full Course Application On: Automotive Engineering - Level - 6 Apply engineering mathematics,Service and repair vehicle engine components, Assessment Series : November/December Entry Qualification : Exam Level of Education : K.C.S.E Grade :								
31	JOHN NDIRITU MURIITHI	0120107P/AUT/6/2022/051						
Unit of Competency Full Course Application On: Automotive Engineering - Level - 6 Apply engineering mathematics,Demonstrate employability skills,Demonstrate entrepreneurial skills,Demonstrate environmental literacy,Perform Vehicle Basic Maintenance,Prepare and Interpret Technical Drawing,Service and repair vehicle engine components, Assessment Series : November/December Entry Qualification : Exam Level of Education : K.C.S.E Grade :								
32	KELVIN MUTAHI MAINA	0120107P/AUT/6/2022/052						
Unit of Competency Full Course Application On: Automotive Engineering - Level - 6 Apply engineering mathematics,Perform Vehicle Basic Maintenance,Prepare and Interpret Technical Drawing,Service and repair vehicle engine components, Assessment Series : November/December Entry Qualification : Exam Level of Education : K.C.S.E Grade :								
33	PETER WACHIRA KAWIRA	0120107P/AUT/6/2022/064						
Unit of Competency Full Course Application On: Automotive Engineering - Level - 6 Apply engineering mathematics,Demonstrate digital literacy,Perform Vehicle Basic Maintenance,Service and repair vehicle engine components, Assessment Series : November/December Entry Qualification : Exam Level of Education : K.C.S.E Grade :								
34	VICTOR MUGAMBI NJOKA	0120107P/AUT/6/2022/005
